Maharashtra, Pin Code: 416219, India.*

Current Address:

*Gajanan Nagar, Lane No 2,
Pimple Gurav, Pune,
Maharashtra, Pin Code: 411061, India.*

Objective

As a Senior Software Developer, Swapnil Shamrao Kunkekar has accumulated over 9 years of experience in a diverse array of technologies. His specialization encompasses a broad spectrum of programming languages, frameworks, and systems, making him a proficient candidate for advanced software development roles.

1 Expertise

Comprehensive hands-on experience in C#, ASP.Net, .Net Core, MVC, MVVM, WebAPI, EF (Code First and DB First), AngularJS, and Linq.

2 Proficiency

Proficient in jQuery, JavaScript, AngularJS, HTML, and CSS.

3 Extensive working experience

TFS, GitLab, GitHub, Bitbucket, Google Analytics, Google Ads, Facebook Pixel and Google Tag Manager services.

4 Azure Knowledge

In-basics knowledge of the Azure portal, including App Services, SQL Servers, VMs, Notification Hubs, Web Jobs, etc.

Experience Timeline.

DXC Technology
From 25th Oct 2022 to present, Swapnil has been working as **Professional 2 Application Delivery** and is currently designated as **Sr Analyst II Software Engineering**

SiGa Systems
From 24th April 2017 to 22nd Nov 2019 Swapnil has been working as **Software Developer**

Ideal Softwares
From 6th Sep 2014 to 28th Jun 2015 Swapnil has been working as **Internship Trainee**

Cognizant

From 6th Jan 2020 to 21st Oct 2022 Swapnil has been working as **Associate** and While leaving designated as **Software Engineer**

Global Eye Technology

From 02nd Sep2015 to 31st Dec 2016 Swapnil has been working as **Software Developer**

DXC Technology Experience

Swapnil's project experience at DXC Technology showcases his ability to deliver high-quality software solutions within the Manufacturing domain, leveraging his skills in ASP.NET MVC, .NET Core C#, AngularJS, and SQL databases.

Project 1 -

- Implemented Web API using ASP.NET MVC C#
- Employed AngularJS for the frontend development
- Implemented the Repository Pattern and Entity Framework Database First (EF DF) approach for structured and efficient coding.
- Integrated the third-party DLL, ClosedXML.Excel, for data export into Excel with custom templates.
- Developed comprehensive unit test cases.
 - **Recognition:** Received the "Application - Sustain & Assure Services||Deliver" award

Project 2 -

- Engaged in ongoing development of new features and functionalities.
- Utilized Kendo UI and customized it according to business requirements.
- Addressed demands as they arose during the project lifecycle.
- Monitored SQL Server Integration Services (SSIS) and SQL Server Reporting Services (SSRS) jobs.
- Developed comprehensive unit test cases.
 - **Current Status:** Still actively working on this project, ensuring its continuous improvement and alignment with business needs.

Cognizant Experience

At Cognizant, contributed to the development of Dot net Applications, focusing on enhancements and critical requirements with quick turnaround times.

- Worked on corporate security systems, Learning management systems & video management systems.
- Created SSIS Packages for scheduling jobs on SQL server as per the requirements.
- Developed Windows services for corporate security systems.
- Created new SQL SP/Views and APIs as needed.
- Utilized Service Now tool for managing work requests.

SiGa Systems Projects

During his tenure at SiGa Systems, worked on various projects, including e-commerce solutions and web applications with modern UI and solid architecture.

Project 1 - nopCommerce

Customized themes and plugins for an open-source E-commerce solution, created APIs, and managed Azure scheduler jobs.

Project 2 - ASP.NET Zero

Developed a web application with a modern UI, utilizing ASP.NET Core MVC & jQuery, and implemented multi-tenant features.

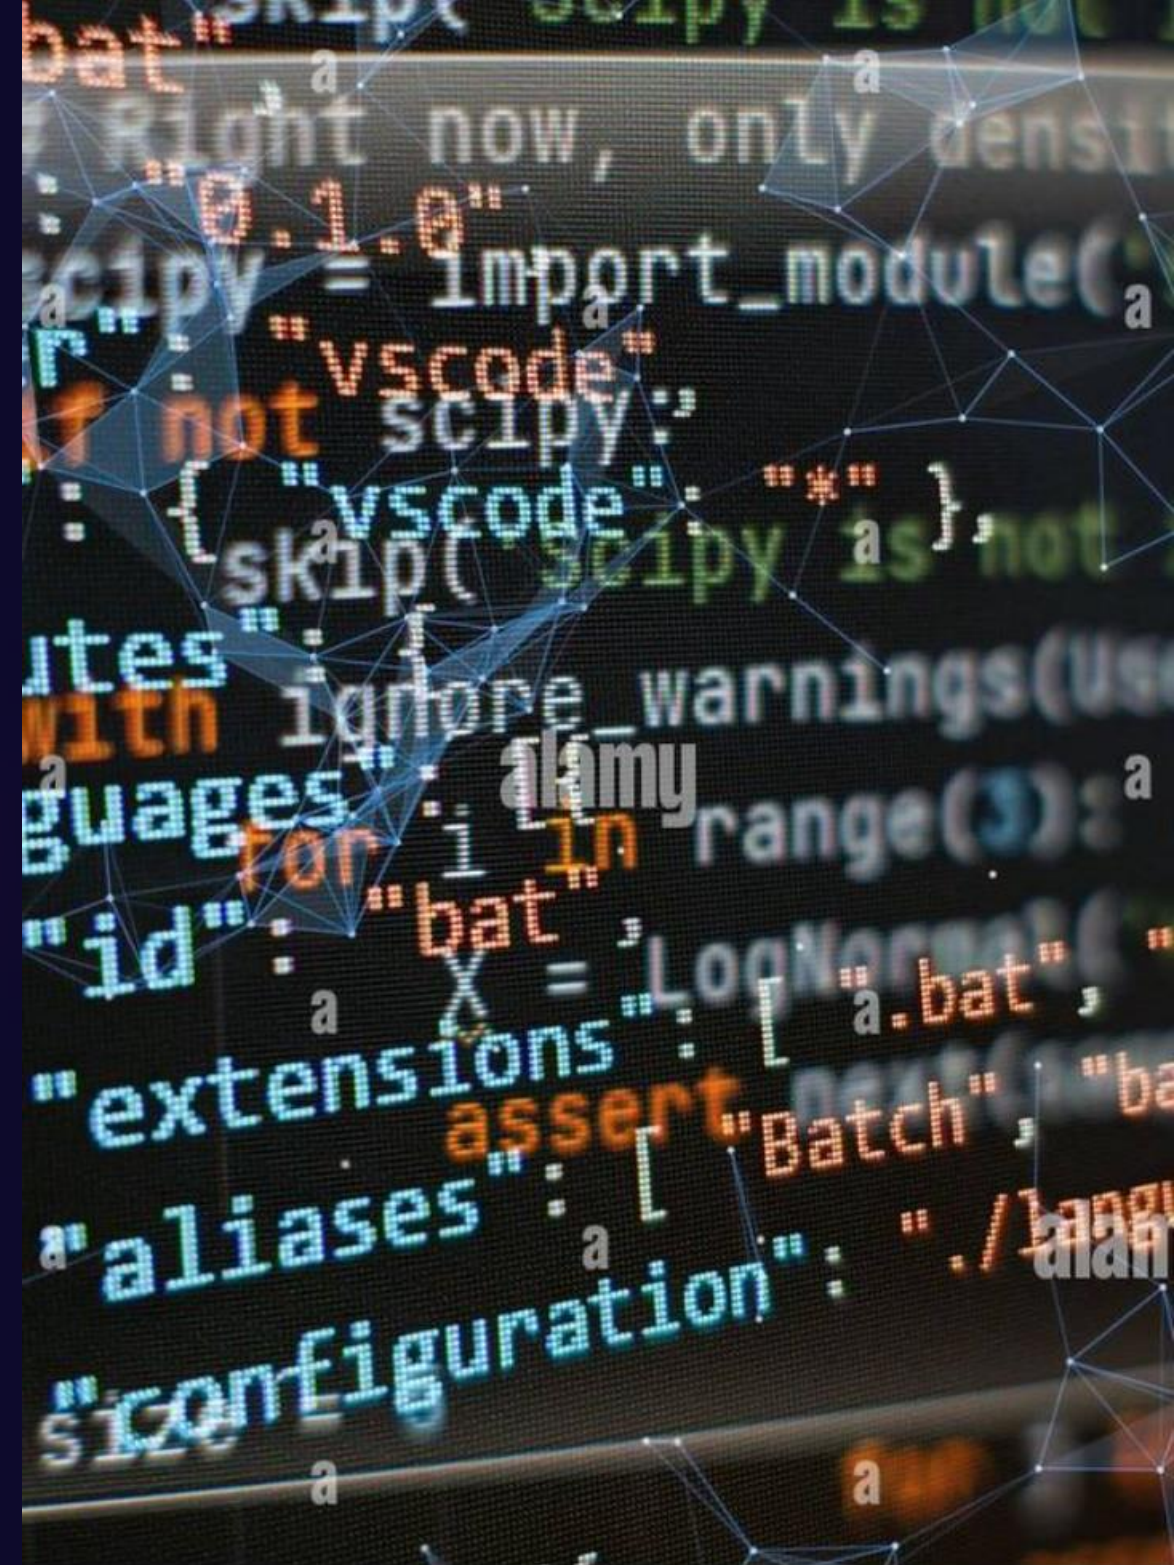

Project 3 - WPF Application

Developed a Windows application and service for a project involving IOT devices connected to CNC machines, integrating SMS APIs for notifications.

Global Eye Technology Experience

At Global Eye Technology, Swapnil Shamrao Kunkekar honed his skills in web development, creating dynamic and static web applications, as well as Android apps.

- Used technologies such as PHP, Ajax, CSS3, JavaScript, HTML5, Bootstrap, MySQL, ASP.NET, and SQL Server 2008 R2.
- Developed Android apps using Android Studio, SQLite, PHP, and MySQL.

Ideal Software's Internship

As an Internship Trainee at Ideal Software's, gained valuable experience working on Windows Applications using VB.NET, C#, and MSSQL.

Technical Skill Set

Swapnil Shamrao Kunkekar's technical repertoire includes a wide range of languages, databases, web technologies, and tools, equipping him with the necessary skills to excel in the software development industry.

Languages & Software	C#, PHP, VB.Net, C, C++
Database	MSSQL, MySQL, SQL Lite
Web Technology	ASP.Net, Asp.net MVC, ASP.NET Zero, nopCommerce, HTML5, JavaScript, CSS3, PHP, WP, Bootstrap
Other Applications/Tools	GitHub, Bitbucket, GitLab, TFS, Linode Server, Azure Portal, CPanel, Plesk, 2GBHOsting, GoDaddy etc.

Personal Details and Academic Qualifications

Swapnil's personal journey and academic achievements reflect his dedication and commitment to his field. His strengths and qualifications are a testament to his readiness for further professional challenges.

Date of Birth: 18 November 1993.

Languages known: English, Marathi, and Hindi.

Strengths: Team worker, Hard work, Quick learner, Flexible, Patience.

Sr. No.	Examinations	Name Of Schools/Collages	Year Of Passing	Percentage
